ROBLEY REX VA MEDICAL CENTER HOSTS THIRD ANNUAL OPEN HOUSE FOR WOMEN VETERANS

Louisville, KY- On Saturday, September 14, 2013, Robley Rex VA Medical Center will host our third annual Open House for Women Veterans. In keeping with the event theme, *She Served, Too!* the Medical Center wishes to recognize and honor the fastest growing population of Veterans while providing information about healthcare and benefits available to Veterans.

VA staff and representatives for other resources will be on hand to provide literature and answer specific questions. These subject matter experts will share information on such topics as women's health, nutrition, and mental health as well as benefits available to Veterans through the U.S. Department of Veterans Affairs and the Kentucky Department of Veterans Affairs.

In addition to receiving valuable information, attendees will be treated to yoga demonstrations and door prizes. Children's activities will be available and light refreshments will be served.

Women Veterans are invited to attend any time between 10:00 a.m. and 2:00 p.m. on Saturday, September 14, 2013. Reservations are not necessary. Veterans may park in the area normally designated for valet parking and enter through the revolving doors. For additional information, please contact Rhonda Parero, VA Voluntary Service Specialist, at 502-287-6898 or Rhonda.Parero@va.gov.
